# BLUE VALLEY SPORTSMAN CLUB- 2019

To continually improve the safety at our range and provide you with an enjoyable shooting experience the Blue Valley Sportsman Club respectfully asks that all league participants read and adhere to the following list of safety rules, by acknowledging with your signature in the space provided below.

Thanks, Steve Schake : BVSC, president

- Safety is all participants' responsibility.
- This is a cold range. Guns are to be unloaded with the action open at all times unless on the firing line.
- Always keep the gun pointed in a safe direction.
- All guns are considered loaded at all times.
- Any gun that does not break open, i.e. Semi- auto or pump action, shall have the action open and muzzle held head high or higher at all times
- Always keep the gun unloaded until at the firing line ready to shoot.
- Always keep your finger off the trigger until ready to shoot.
- Be sure the gun is safe to operate.
- Know how to use the gun safely and use the correct ammunition.
- All participants must wear eye and ear protection.
- No hulls will be retrieved after hitting the ground during a team round. Hulls must be collected after the round and guns are safe and in gun racks.
- If your gun fails to fire when the trigger is pulled, HANDLE WITH CARE. Call for cease fire. Keep the muzzle pointed in a safe direction and get help.
- Never use alcohol or drugs before or while shooting.
- Know and obey all range rules.
- Unsafe behavior will not be tolerated. Unsafe behavior shall be determined as listed in club membership information and as posted.
- Spectators need to avoid distracting shooters that are on the field. Please be courteous and quiet.
- All teams are responsible to help with the scoring, trapping, loading trap houses and clean-up at the end of the day. All clay bird boxes need to be broke down and placed in the clay bird storage to be recycled.
